Inside Our Class

This semester, I have started teaching with **Textbook 4** using a group of our most senior students-hardworking and high-achieving learners. I am very much looking forward to seeing their continued growth.

Teacher's Note

Greetings! Several years ago, my daughter was a high school teaching assistant while I was teaching a beginner-level class. Now, time has passed—my daughter is in college, and I have returned to Marin County Korean School, which I deeply missed, to teach once again. I will do my very best. Thank you.

Reminders

Students will attend a **3rd-period culture class**, and those who submit a **weekly reflection** will receive an award at the end of the semester in May. We kindly ask for your guidance and encouragement at home to support this goal.

If your child is unable to attend school on any given day, please notify us by email in advance.
